ANNOUNCEMENT

April 7, 2020

Dear Association Members:

On receiving advice from the Association's attorney regarding the cancellation and postponement of the April 11, 2020, "Annual Meeting" of the members as a result of the outstanding Covid-19 assembly prohibitions, and how that postponement affects the Association's effort to move forward with absentee ballot voting only, the Association has determined that it would be appropriate, if not necessary, to **terminate** the outstanding voting process and **reinitiate** that process to include absentee and personal balloting when a new date for the "Annual Meeting" can be safely selected.

At that time, you will be provided with a **new** voting packet for absentee ballots if you wish to vote using that method. You may, of course, attend the rescheduled "Annual Meeting" and vote at that time.

The Association apologizes for any inconvenience this unusual circumstance may have caused. The "Annual Meeting" date is yet to be determined considering the Covid-19 pandemic.

Respectfully,

Lake Moovalya Keys, Inc. Board of Directors
